

NEWTON RECYCLING NEWS

Town of Newton

July 2016

CURBSIDE COLLECTION INSTRUCTIONS

- Newspapers will be collected at curbside.
- The following mixed recyclables will be collected curbside:
 - *Glass and bottles (all colors).
 - *Aluminum cans.
 - *Tin plates, steel cans (soup, juice, etc.).

Plastic soda bottles (clear and green) milk/water/cider containers, shampoo, conditioner, liquid laundry soap, fabric softener and bleach containers.

 - *No plastic tubs will be accepted.
- Magazines, junk mail and cardboard will not be collected curbside but can be brought to the Recycling Center during normal hours of operation.

Materials should be placed at the curb in the following manner:

NEWSPAPERS:

Should be dry and tied in bundles. Packaging in plastic bags is not acceptable. Colored inserts may be included with recyclable newspaper but magazines or other grades of paper that are not part of the newspaper are not acceptable. **Wet newspapers will not be collected. On rainy days, newspapers will not be picked up.**

MIXED RECYCLABLES:

All bottles, cans and plastics must be rinsed clean with caps and lids removed and placed mixed at the curb in no larger than a **35-gallon waterproof container.** Cardboard boxes and grocery sacks are not acceptable. Do not include windows, light bulbs, mirrors, ceramics, dishes, broken glass or any other material with your mixed recyclables. These recyclables or those materials not placed properly at the curb **WILL NOT BE COLLECTED** and warning notices may be issued. Anything placed in a larger container will not be picked up curbside.

REMEMBER: MATERIALS MUST BE AT THE CURB NO LATER THAN 7:30 AM ON YOUR DESIGNATED PICK-UP DAY. PLEASE REFER TO THE SCHEDULE ON PAGE 2.

NEWTON RECYCLING NEWS

LEAF & BRUSH PICKUP

****PLEASE TAKE NOTE OF THE SCHEDULE FOR PICKUP****

The Town of Newton will once again combine a brush pick-up with the annual leaf collection program in November. The Public Works crew will begin the Collection Program on Monday, November 7th and will continue until December 2nd. Zone 1 will be picked up the week of November 7th, Zone 2 the week of the 14th, Zone 3 the week of the 21st, and Zone 4 the week of the 28th.

Please put the bags and brush out at the curb line and not in the street. This will avoid interference with traffic and possible breakage of the bags. Tree limbs must be smaller than 4 inches in diameter (no exceptions). The cleanup is intended for residents to clear away naturally occurring fallen brush and light pruning. Property owners are responsible for felled trees.

The leaves and brush will be taken to the Sussex County Municipal Utilities Authority (SCMUA) in Lafayette for disposal. SCMUA will only accept leaves in biodegradable bags. The bags can be purchased at local home improvement stores. Residents may take leaves/brush to SCMUA for disposal themselves, but a small fee may be charged by the County facility.

CHRISTMAS TREE PICKUP

The Public Works crew will be picking up Christmas trees beginning December 26th through January 15, 2017. All trees must be free of bases, lights and ornaments.

IMPORTANT INFORMATION

Plastic Bags left curbside or brought to the Recycling Center containing mixed recyclable items will not be accepted. **Items must be in containers.** Failure to comply with this regulation will result in those items placed in plastic bags not being picked up curbside. If items placed in plastic bags are brought to the Recycling Center they **will not** be accepted.
Be advised that any cardboard, magazines or junk mail placed in paper bags or plastic bags **will not** be accepted.

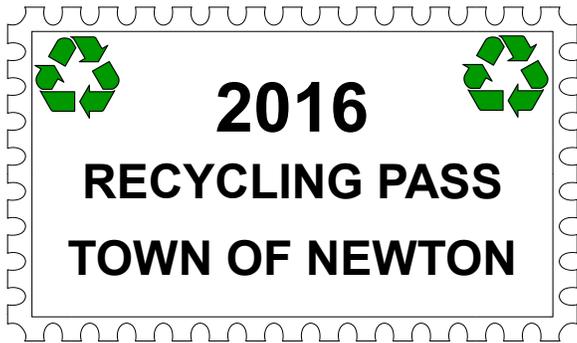

Brush leaves and grass clippings are not accepted at the Recycling Center. Leaves and grass clippings can be brought to the Sussex County Municipal Utilities Authority located at 34 South, Route 94, Lafayette, NJ.
For your information, residents and businesses can recycle the following:
Chipboard: Food, tissue & other gray or white paperboard can be included with cardboard. No wax coated material (i.e. Juice Boxes).

Plastic Containers: All rinsed plastic containers with codes between 1 (PET) and 7(OTHER) can be included with commingled containers. No plastic toys.

RULES WILL BE STRICTLY ENFORCED

A Town Recycling Pass or Driver's License showing a Newton street address must be presented for inspection by a Municipal employee.
