# 2015 AUTHORITY BUDGET MESSAGE & ANALYSIS

## NEWTON PARKING

### AUTHORITY BUDGET

**FISCAL YEAR:** FROM: JANUARY 1, 2015 TO: DECEMBER 31, 2015

*Answer all questions below. Attach additional pages and schedules as needed.*

1. Complete a brief statement on the 2015 proposed Annual Budget and make comparison to the 2014 adopted budget for each operation. Explain any variances over +/-10% for each line item by operation. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item. For example, if anticipated service charges have increased 15% due to an increase in rates, provide a copy of the resolution authorizing the rate increase.
2. Complete a brief statement on the impact the proposed Annual Budget will have on Anticipated Revenues, especially service charges and on the general purpose/component unit financial statements. Explain significant increases or decreases, if any. An increase or decrease is considered significant if it is over +/-10% from the current year adopted budget.
3. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Budget/Program.
4. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget, i.e. rate stabilization, debt service reduction, to balance the budget, etc. If the Authority's budget anticipates a use of Unrestricted Net Position, this question must be answered.
5. Identify any sources of funds transferred to the County/Municipality as a budget subsidy or a shared service and explain the reason for the transfer (i.e.: to balance the County/Municipality budget, etc.).
6. The proposed budget must not reflect an anticipated deficit from 2015 operations. If there exists an accumulated deficit from prior years' budgets (and funding is included in the proposed budget as a result of a prior deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question.
7. Attach a schedule of the Authority's existing rate structure (connection fees, parking fees, service charges, etc.) and a schedule of the proposed rate structure for the upcoming fiscal year. Explain any proposed changes in the rate structure and attach the resolution approving the change in the rate structure, if applicable.
8. Attach a copy of the Authority's most recent Annual Operating Data submission to the Municipal Securities Rulemaking Board's Electronic Municipal Marketplace Access (EMMA) under the Authority's Continuing Disclosure Agreements for any debt issuances outstanding. Examples of Annual Operating Data may include sewer and water billings; parking rents and collections; number of customers; number of available parking spaces; etc. See Local Finance Notice 2014-9 for more information.

2015 AUTHORITY BUDGET MESSAGE & ANALYSIS  
NEWTON PARKING  
AUTHORITY BUDGET

FISCAL YEAR:                    FROM: JANUARY 1, 2015                    TO: DECEMBER 31, 20115

1. The 2015 proposed Annual Budget is \$600 less than the 2014 adopted budget. Anticipated parking fees are \$540 less. Parking fees anticipated are less due to the implementation of free Saturday parking effective October 1, 2014 in an effort to attract customers to the downtown businesses. The rest of the proposed budget is essentially the same.

2. The proposed Annual Budget should have a level impact on Anticipated Revenues.

3. Newton's economy is struggling with decreasing net valuations of property like most of the state. The Town has been active in revitalizing its downtown and pursuing redevelopment opportunities. The 2015 parking authority budget strives to maintain the existing level of service with the present levels of revenue income.

4. The 2015 proposed budget utilizes \$3,000 of Unrestricted Net Position to balance the budget. It is expected that the entire appropriations will not be fully expended, and therefore a portion or all of the \$3,000 will not be spent. The budget needs to appropriate a sufficient amount to cover any unexpected costs.

5. The Newton Parking Authority enters into a shared service agreement with the municipality 'Town of Newton' every year. See the 2014 agreement attached. The Town of Newton provides repairs and maintenance, snow plowing, line striping, cleaning, police and safety services, meter collection, repairs and administrative functions to the Parking Authority.

6. The 2015 budget does not reflect any anticipated deficit.

7. Chapter 100. Fees and Costs, Section 100-15 Vehicles and traffic (Chapter 307) of the Newton Code book set forth the parking fees.

8. N/A. The Newton Parking Authority has no outstanding debt.
