

ADDENDUM NO. 1

January 14, 2020

BID 3-2020

**MEMORY PARK – COMMUNITY POOL RENOVATION
TOWN OF NEWTON, COUNTY OF SUSSEX, STATE OF NEW JERSEY
FILE No. SCE-R10684.021**

To All Concerned:

The Contract Documents associated with the Town of Newton, Memory Park – Community Pool Renovation prepared by SUBURBAN CONSULTING ENGINEERS, INC. (SCE), dated January 03, 2020 are revised as follows:

CONCERNING PRE-BID SITE VISITATION:

Bidders are advised that Town will provide access to view the pool on **January 17, 2020** between the hours of **10:00am and 12:00pm**.

CONCERNING TECHNICAL SPECIFICATIONS:

Regarding Section 13 1100, paragraph 1.04.E.4 is revised as follows:

4. Water-blast entire surface to clean concrete substrate removing all existing plaster. (Bidder shall note that sample cores show approximately four coats of plaster totaling approximately 7/8” in dimension on the floor. No other representations are made regarding the thickness of the existing plaster coating(s) and no change orders will be considered relative to the removal of the existing plaster). ~~Chipping or any other mechanical method of removing the plaster will not be permitted~~ **the bulk of the plaster will be permitted on the top layers, so long as the layer closest to the pool shell substrate is primarily removed by water blasting so as to ensure that the new plaster has a uniform thickness. Incidental gouges in the surface of the pool shell substrate must be patched prior to the bond coat application.** All slurry resulting from water-blasting must be pumped into grout bags and removed from the site and disposed of legally. All solid waste resulting from plaster removal must be removed from the site and disposed of legally. The bidder shall specifically note that no slurry may be discharged into any on-site sanitary drain, deck drain, storm drain or anywhere outdoors on campus.

Bidders are advised that submissions must include the Acknowledgement of Addendum form found on Page P-15 of the Contract Documents.
